2014 CONFERENCE HIGHLIGHTS

This year's South Carolina United Methodist Annual Conference theme was a continuation of last year's "more excellent way" with the focus being on "Creating Corridors of Faith, Hope and Love."

We could tell by the Spirit-filled uplifting service on Sunday night, this year's conference was going to be, as Bishop Jonathan Holston said in his sermon, "...a time of celebration."

He again emphasized the "God-sized visions and dreams" that he had shared with us last year. As he said in his sermon, "I believe God will give us visions and dreams that are God-sized because He's taking us and exposing us to a higher standard."

Our four clergy and the lay delegates enjoyed many uplifting messages, songs, sermons and fellowshiping with each other and the other United Methodists from across SC as we met in Florence. In addition to our "official" Shandon representatives, we also had Ted and Pegilee Walter (Retired Clergy/Spouse), Jim Ellis (Rep., Southern Mutual Church Insurance Company) and Kay Gaffney Crowe (Conference Chancellor). We were pleased to have the opportunity to be at the commissioning service for our newly assigned minister, Carly Wicklund on Monday evening. Another highlight of the evening was the ordination of Jeri Katherine Warden-Sipes as an elder with her mom and dad, Patricia and Robert, participating in the service.

Bishop Holston continued to be a very capable and caring Spiritual leader who managed the sessions with gentleness, skill and respect for all. He also has a good sense of humor which was enjoyable. He managed to finish the business 45+ minutes early two times!

We were very blessed to have Dr. Robin Dease, Hartsville District Superintendent, lead us in the daily Bible study. She used the theme of "...Faith, Hope & Love," concentrating on one word each day, in a thought-provoking way. Also, Rev. Tiffany Knowlin preached a powerful sermon at the Celebration of Young Adults service on Tuesday night. She used her personal testimony about growing up in Marion and tied it into the theme of changing the corridors of shame into the corridors of faith, hope and love – challenging us to become involved in changing the corridors of shame into the corridors of faith, hope, and love.

Although we did not get a final count on the Million Book Effort, it is off to a good start and may offer more opportunities to contribute books and money to see it to completion. According to Rev. Ricky Howell, Conference organizer for the MBE, "We have already impacted our state in amazing ways, but it is not too late to get involved." To see how you can be a part of this God-sized vision, go to www.millionbookeffort.org.

Now that you have heard the relational side of Conference, we'll share some of the business side. The budget passed with only a 0.6% increase. After much effort in trying to find ways to develop the Sewee property in McClellanville, the decision has been made by the Camps and Retreat Ministries to sell it. A Local Church Mission Fair showcased missions from many churches with lots of creative ways to help others. A resolution passed supporting the need for services to individuals with mental illness in the South Carolina Department of Corrections.

Thank you for allowing us to represent Shandon. It is truly an honor to be able to serve in this way. - MaryAnn Crews, Jerry Frank Crews, Carolyn Hall, Belva Hamer, Paul Kirby, Janice Martin, Jennifer Parker, Frances Tompkins

BIBLICAL GARDEN & SURROUNDING AREA IS TEMPORARILY CLOSED

The Biblical Garden and surrounding flower beds are off limits during June and July due to the bi-monthly chemical treatment of the red tip shrubs, which have a virus.

In the development of the Biblical Garden, we have encouraged children and adults to walk through, touch and pick some of the herbs, etc. The spray however may be on the foliage in the gardens and be an irritant.

The Grounds Committee has consulted an agent of the Clemson Ext. on the environmental safety of this treatment. The committee has learned that the chemical is not taken up by the roots and any fruit and all plants will be safe after all treatments in June and July is complete.
