World-wide Fellowship

Our group of 24 who just returned from Israel had an extraordinary time. Words such as "outstanding" and "perfect" were used frequently to describe our trip.

One reason for this was our competent guide, Hillel Kessler. Hillel was born in Ohio and when he was in his early 20s he traveled to Israel for a three-week trip. While there he met his wife to be and has continued living his life in Jerusalem where they both serve as tour guides. They have four sons all who have or are serving in the Israeli military. Through his eyes you could clearly see the stress that goes with living in Israel, but he deals with the tension with great wisdom in which he understands Israel's place in that region and even the viewpoints of opposing factions. He is a lover of peace.

While in Israel we visited all the holy sites: the Church of Annunciation in Nazareth, the city of Cana where Jesus performed his first miracle, the Jordan River where John baptized Jesus and where we reaffirmed our baptism. We went to the Mount of Beatitudes and the village Capernaum where Jesus began his ministry. We rode a boat across the Sea of Galilee where Jesus walked on the water and calmed the sea and we ate Peter's fish, a fresh water tilapia. We visited the ruins of ancient cities where archeologist have done excavations so they could tell us how ancient people lived. We prayed at the Wailing Wall and at the Pool of Bethesda. We visited the place of Jesus's birth and the site where it is believed the angels appeared to the shepherds. We visited Jericho, the oldest city in the world, and stood on a mountain to view the wilderness in which it is believed Jesus was tempted. We visited the Mount of Olives and Garden of Gethsemane. We walked the Via Delorosa, the path where Jesus carried the cross, and concluded our time at Golgotha and the Garden Tomb where we celebrated Holy Communion.

In every place we read scripture, prayed and sang hymns. We could feel the spirit of Jesus in every spot and were moved to the depth of our being.

One thing that was evident was the universality of Christianity. All around us at every place were Christians in small groups reading the Bible, praying, and singing hymns in a variety of languages from around the world. Truly we are a world-wide fellowship of disciples of Jesus Christ. That was to me the best part.

If you get a chance to go don't hesitate. Make it a priority. Most of us agreed we wish we had gone many years ago.

On March 20, Dr. Dean Jacobs will talk with us and answer questions about Mormonism.

Dr. Jacobs is the ophthalmologist at his Advantage Eye Care practice here in Columbia. This series has been very popular, with over 50 in attendance each Tuesday. The purpose is to expand knowledge and understanding and to dialogue together in a spirit of peaceful and caring co-existence. After introductory remarks, our guests will respond to questions from the audience on foundations, prophets, doctrines and beliefs, worship practices, holy days, education, and expectations in one's personal life and faith community. The leaders will draw from their own education, experience and beliefs, free from the impossible expectation that any one person can adequately present the rich diversity within any Faith. Rev. Allen Wolfe, Associate Minister at Shandon, will also participate in these opportunities sponsored by our Adult Council.

March 27: Dr. Sinclair Ferguson or Dr. Derek Thomas (Presbyterianism ARP)

NEW SET OF COMMENTARIES IN THE PATSY MCINTOSH LIBRARY

Thanks to a very generous gift, our library now has a new 12-volume set of lectionary commentaries: *Feasting on the Word*, by Barbara Brown Taylor and David Bartlett (2008-2011). These two reviews speak about the value for both clergy and lay people who are interested in expanding their study and understanding of the Bible:

"When it comes to feasting on the Word, we preachers have learned that there are no better guides than Barbara Brown Taylor and David Bartlett. . . . A wonderful resource in the weekly task of serving up the Word to God's hungry people." - William H. Willimon, United Methodist Bishop and author

"Wonderfully organized and intelligently shaped, these reflections on Scripture are sure to be a valuable aid for those in ministry." - Stanley Hauerwas, Professor of Theological Ethics, Duke University Divinity School

Stop by our fully automated library on the top floor of the Betty Bruner Building on weekdays, Sundays, and any evenings when activities are going on.
