*During our previous Stewardship emphasis, we have asked you to Re-Think Christian Stewardship. With our annual Commitment Sunday approaching, October 25, I would like for you take a minute and do just that, re-think and pray on your commitment.*

- **Do you pray asking God to help you help others?**
- **Are you truly present when attending services or when you're out helping others?**
- **Are your gifts being used to help our church and others outside of our congregation?**
- **Are you there for others in need to offer your time and efforts?**
- **Do you tell people about our church and who we are and what we believe in?**

Just think about what Shandon provides you and your family and what we as a congregation do out in the community. I have been involved in or attended many community events since being a member of Shandon and it never fails that a church member is there. This always makes me proud of our Shandon church family.

Our beliefs call us to be good stewards through our prayers, presence, gifts, service and witness. As we enter our Stewardship campaign, I would ask that you prayerfully consider all of these areas of stewardship and what you can do to help us as a church family spread our message.

The life blood of our stewardship program is the gifts you provide our church to fund the ministries and services that Shandon offers. You are Shandon. Many of you may not be aware, but the offering the church receives is consistently low until the end of the year, year over year. This places a large burden on our staff and Finance Committee when deciding where to put the funds to work.

One thing we as a Stewardship Committee have tried to do is come up with options to help with more consistent gift-giving from our church family, and we feel the option to give online can greatly enhance the consistency of giving. Our secure online giving portal at [www.shandon-umc.org](http://www.shandon-umc.org) allows you to give weekly, monthly, annually or on a one time basis. If you like, you can also schedule your gift to Shandon to come directly from your bank.

Details of how to give online can be found in the side article on this page. I would ask you to consider using it as an option to help our giving be maintained throughout the year. Join me on Pledge Sunday, October 25, as we re-commit our giving to Shandon for the next year. God Bless. Scott Gambrell, Chair Stewardship Committee

**Please Help!**

**OCTOBER 4-12**

**Leave any type of dog or cat food in the hall bins**

We believe in the human-animal bond which is very important to life. Pets are often the main companions and comfort for those who live alone and struggle to make ends meet. Especially for the elderly, pets give people a feeling of "being needed." Be a part of the cycle of caring by feeding animals who love us. The food will be distributed through the Pet Soup Program on the Harvest Hope Food Bank campus.

*Sponsored by Shandon's Green Team.*
